What does it mean to be "saved by grace"? Many believers are confused and intimidated by the doctrine of salvation, and as a result are missing out on the freedom of God's grace. Michael Horton reminds us of the Reformation's radical view of God and his saving grace, the liberating yet humbling truth that we contribute nothing to our salvation. *Putting Amazing Back into Grace* clearly lays out the Scriptural basis for this important doctrine and the implications of this message for a vibrant evangelical faith. Horton's accessible treatment of who does what in salvation will inspire a fresh amazement at God's grace. Everyone is welcome, please join us whether you have been in a class or not!

"Souper Bowl" of Caring ... helping to stamp out hunger in Mercer County.....The Youth of the Shenango Valley will join with others from all over the country in collecting money for those who are hungry. Imagine if everyone who will watch the Super Bowl this year gave \$1 for the needy in their community. On Sunday the Youth from our church will be collecting money for the "Souper Bowl" of Caring. Every dollar raised will go to benefit the Shenango Valley Food Warehouse which helps to feed those in need in Mercer County. So as you get ready to watch the Super Bowl this weekend think about what you can do to help fight hunger in our own community.

Youth Group—Football Blowout
