Dear Parents,

The 2011-2012 school session will continue the third decade for Kiddie Korner serving the preschool children of the Shenango Valley. We hope that you will be part of our celebration.

Kiddie Korner is a child-centered program. We systematically take a child through his developmental stages in a carefully planned curriculum designed to challenge the child in all areas. Our primary goal is to let each and every child know he or she is loved and respected for him or herself. Early childhood research indicates that enhancing self-image and teaching socialization skills should be the focus of preschool education.

A description of Kiddie Korner's Preschool programs follows on the reverse side of this page. You may feel that one of these programs is right for your child. If so, return this pre-registration to the church to place your child in our school for the fall. During the months that school is in session (September – May), we are happy to arrange for an observation. We also happily answer all questions you may have about our program.

For the cost and more information about our programs, please call the church office at 724-981-3535.

Sincerely,
Annette Hutchinson
Connie Woods

First-class Foundations

This is a small, dynamic class at Kiddie Korner for 2 ½'s through early 4's who will not attend kindergarten the following year. This class offers a relaxed, self-esteem-building atmosphere where language development, socialization and large and small motor skills are stressed through stories, learning centers, art, games and music arranged around themes. Mrs. Connie Woods leads this class.

Time: Monday, Wednesday and Friday, 9:00am to noon

Cost: \$105.00 per month

Pre-Kindergarten

Taught by Mrs. Annette Hutchinson, this is a three-day-a-week program for children who will be entering kindergarten the next fall. Language development, social interaction, positive self-esteem, and pre-reading and math skills are part of the day. Also foundational are music, art, gross motor and fine motor activities.

Time: Monday, Wednesday and Friday 9:00am to noon

Cost: \$105.00 per month

Each registration form must be accompanied by a \$50 deposit. This guarantees your child a place in one of our programs. It also enables us to plan for staff, activities, and programs. The deposit will be deducted from your first month's tuition, which will be due on or before the first day of class. If you later choose not to enroll in KK, one-half of the deposit will be refunded to you.

If you have any questions or need more registration forms for friends, please contact the church (724-981-3535 or covenant@verizon.net).

Please return the registration form to: **Kiddie Korner Preschool**
